St. Paul Fire Department  
Box 1480  
St. Paul, AB T0A 3A0

Dear Mr. Kotowich:

Please accept this letter as a show of support in principle from the County of St. Paul to accompany your CIP application to purchase and set up a couple of training trailers (sea cans). As a municipality, we are pleased to provide space in the County's Public Works yard for you to establish this valuable site.

We are well aware of the hard work and volunteer hours it takes for fire departments to be successful in our community and we commend you.

We admire your commitment to the community and wish you success with this very worthwhile project.

Yours truly,

Sheila Kitz, *CLGM*  
Chief Administrative Officer
