| <b>Page</b>        | <b>Section</b> | <b>Change</b>  |
| 5                  | 2.1P(6)        | Removed the word “fragmented” – all agriculture subdivisions will be required to provide physical access to a developed County road.                               |
| 6                  | 2.3P(1)        | Reworded for improved clarity. 4 residential parcels can be subdivided on an agricultural quarter. Total land taken by residential parcels not to exceed 20 acres. |
| 7                  | 2.2P(8)(c)     | Removed reference to proximity to industrially zoned parcel.   |
| 7                  | 2.2P(15)       | Remove reference to Heinsberg and add Lottie Lake.   |
| 8                  | 2.3            | Removed former policy statement which said that commercial and industrial uses may be allowed in the Agricultural area.  |
| 8                  | 2.3P(3)        | Amended by removing oilfield support services and rural manufacturing and adding wind energy and work camps.   |
| 8                  | 2.3(4)         | Reworded to state that rural industries will require rezoning.   |
| 8                  | 2.3(8)         | Added clause requiring marshalling and laydown areas to rezone to Direct Control.  |
| 15                 | 4.1            | Add Municipal Development Plan Map   |
