

To St. Paul County Council #19.

The Mallaig Chamber of Commerce and landowner's in the new sub division in the hamlet of Mallaig request a "walking path" to join the new subdivision with the Hub of the Hamlet. At present we have no way to walk to the Community Hall, Curling Rink, Hockey Arena, Catholic Church, Baptist Church. Permission has been granted by the Catholic Church to pass on their property. We ask that the County contact landowner's Joanne Denis Gagne if a piece of land could be acquired to build a sidewalk and a bridge over the swail.

Thanking you in advance  
Mallaig Chamber of Commerce  
and land owner's.
