The parish council of the Mallaig Catholic Church has looked into the issue of providing a pathway through the church yard for people from the new subdivision to access recreation facilities on the south end of town.

We believe that a possible pathway would be directly west of the Church. As well, we feel that the construction of a sidewalk would be desirable as it would discourage people from forming several foot paths through that area.

Sincerely,

Lise Katerynych  
(Chairperson of the Parish Pastoral committee)

Mallard Parish Council Finance Committee

Enclosed you will find a proposal by the Parish Finance Committee proposing a walkway from the new subdivision to the area of the cathedrae church, arena, curling rink, senior hall as well as the community center. An easement will be gotten for the Diocese of St. Paul to make this happen.

Yours Truly  
Jaime Dechane  
Sec of Finance Committee.
