

## Request for Decision

Council Meeting: January 8<sup>th</sup>, 2019

### Street Lighting Retrofit Feasibility Study and Strategy

#### Background

---

In December 2016, the County applied for an Alberta Community Partnership Grant along with the Summer Village of Horseshoe Bay, Town of Elk Point, and Town of St. Paul for the purpose of undertaking a Street Lighting Retrofit Feasibility Study and Strategy.

The Study was completed and presented to the four municipal councils on December 12<sup>th</sup>, 2018.

Due to the size of the report, it will be forwarded as a separate email.

#### Alternatives

---

#### Recommendation

---

Motion to accept the completed Street Lighting Retrofit Feasibility Study and Strategy undertaken through the Alberta Community Partnership Program.
