**To: The County of St. Paul Council Members**

**From: Clark Ambler (Building Chairman) -  
on behalf of the St. Paul Alliance Church**

**Subject: Cost related to our building permit.**

We have just received our building permit back from the County Office for our renovation/addition to the St. Paul Alliance church (located just on the west end of town – the BLUE Church). Our permit number is 294294-13-B0002.

We are writing you to ask if it be possible to waive or greatly reduce the cost of our building permit for a few reasons. First off, we are a non-for-profit organization, and all money needed to fund our project is from the donations of our church members and attendees.

Secondly, our project has been planned and designed by:

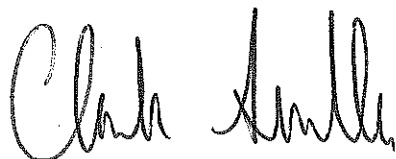

- 1) Rick Balbi Architect Ltd.
- 2) Sveinson Consulting Engineers Ltd.
- 3) PJB Designs Consultants

They will continue to work with us and provide all necessary building inspections along the way as well.

We appreciate you considering our request. Thank you, as we continue to love and serve the community of St.Paul.
