Dear Council Members;

I am writing to you, to request a reduced charge to the new price increase for gravel. Is it possible to get gravel at \$15.00 a yard delivered?

Like many, we have to maintain our roads used by the public at this landfill facility. We provide an essential service, not only to our immediate community but also to the regional traffic that use our landfill.

Your considerations to this request would be greatly appreciated.

Yours Truly;

Ramona Arnett
Manager of
Evergreen Regional Waste
Management Services commission
