

Items for Council

SW 4 56 8 W 4.
1 Change 84 Rd to Denega Road (a)
Way (b)

This year or next year for sure the Okwanian Village is honoring their pioneers by having their names inscribed on a monument at the Village. In keeping with this recognition it is a request of this council to have the one mile of road North of Lake Eliza School to be changed from
to Denega Rd a Denega Way

2 Easements NE 4 56 8 W 4

In the 1980's the County of St. Paul would of approached my late Uncle for permission to build a road to avoid some hills (baby mountains). This was granted by the landowner. Now in 2013 the landowner is wanting to put this land into cultivation and is planning into usages where the County terraced into the side of the hill where changes in elevation is approximately 4ft, causing tractor implement hang ups.

3 Also approximately 2 mile of Road improvements on Twp Rd 560 from Rge Rd 82 west 2 miles to Rge Rd 84. This was on the agenda for many years and was taken off. Why.

a) Why?

b) ~~What is prob all when projects are cancelled?~~

~~Who get notified~~

c) ~~Why would some parties be notified and others not.~~
