

PERMIT TO CONDUCT GEOPHYSICAL OPERATIONS

Approved by CAGC CAPP, SEPAC, FAO, SRD

Page ___ of ___

I/We: SHEILA KITE FOR ST. PAUL, County.
of 5015 - 49 AVE ST. PAUL, AB TDA 344

(hereinafter called the "Grantor") being the Owner Lessee Renter or Representative in possession of the lands (hereinafter called the "Lands") described below and on the attached Geophysical Operations Plat(s), agree to grant to the Licensee: C.W.R.L. (holder of exploration license) and the personnel and equipment of its subcontractors (hereinafter collectively called the "Grantee") the right and authority to enter onto the Lands for the purposes of conducting all phases of a single geophysical operation.

Owned Leased Rented PART of SW 18 of Section 14 TWP 56 RGE 03 W 4 M
Owned Leased Rented of Section 14 TWP 56 RGE 04 W 4 M
Owned Leased Rented of Section TWP RGE W M

Furthermore, the Grantor and Grantee hereby covenant the following terms and conditions:

- 1. The Grantee agrees to compensate the Grantor the following Permit Fees:
\$ 1200.00 PER / Mile Recorded Source Line
\$ 300.00 PER / Mile RECEIVER LINE
These monies are compensation for Permit Fees and not for damages beyond normal wear and tear, and shall be paid within 90 days following the completion of the geophysical operation.
2. The Grantee agrees to compensate the Grantor for any damages in excess of normal wear and tear that may occur as a result of this operation.
3. The Grantee will conduct all operations in a careful, diligent and responsible manner, in accordance with all applicable laws, geophysical regulations and government approval conditions in the province of ALBERTA B.C. MANITOBA SASKATCHEWAN OTHER
4. The Grantee shall indemnify and save the Grantor harmless from any actions, claims, losses or demands by a third party arising from acts or omissions of the Grantee in respect of its operations and for any loss, damage cost and expense to the Grantor in respect of such operations.
5. It shall be the responsibility of the Grantor to accompany the Grantee and to inspect the permitted Lands upon completion of the operation, to establish and agree upon the amount of compensation.
6. The Grantor grants a working area as shown and off-line conditions as specified on the Geophysical Operations Plat(s). All operations shall take place in a working area which is approximately 16.5 feet / meters wide (25 ft / m for snowplowing).
7. The Grantor allows the Grantee to DELETE, SHIFT or OFFSET LINE(s) and/or Receiver and/or Source Points; shift line(s) up to 100 ft/m.
8. Other interested parties: eg: Ducks Unlimited, Offer to Purchase, Renters/Acreages, etc. LANNIE BRISTOW
9. This permit is in effect from the date endorsed by the Grantor until March 01, 2015 excluding a reasonable amount of time to perform a final cleanup which is delayed due to weather conditions.
10. Any additional terms, express or implied, shall have no force or effect unless made in writing and agreed to by the Grantor and Grantee as stated below or on the attached Geophysical Operations Plat(s) which form part of this document.
- THIS PERMIT CONDITIONAL TO ST. PAUL COUNTY COUNCIL APPROVAL.
- SEE CONDITIONS OF RENTERS PERMIT
- SOME LINES MAY OR MAY NOT ENTER LANDS

Only for B.C. Landowners - by initialing this box, the Landowner consents in writing to the activity covered in this agreement beginning upon the permit being issued by the (Oil and Gas) Commission. This waives the 15 day waiting period however it does not waive the right of the Landowner to appeal the permit to the Commission as per legislation.

I declare that I have the legal authority or the consent of the Owner, or party lawfully in possession of the Lands, to execute this form and accept payment of permit fees and damage fees of which part or all maybe payable on behalf of the Owner or such party. I further do hereby understand and agree to this statement. As required by legislation, be aware that you, the Grantor, are giving consent for the collection and use of the personal information on this form for the purpose of conducting and completing geophysical operations.
