Stry 75th Anniversary Hall
Box 245
Vilna, AB
TOA 3L0

January 16, 2015

The Stry 75th Anniversary Hall has been a gathering place in the community for 35 years. Many dances, weddings, baptisms and even funerals have brought people together. We're sure most families have attended some type of a function in the hall creating stories to be told.

With a facility of this size also come expenses and upkeep costs. Our current project is the roof which needs to be repaired as soon as possible. One of our fundraisers is a community supper with a silent auction. On that note, we are asking for your help.

Many businesses are donating goods and services to help out and I am asking for you to join them in helping us. Each business will be acknowledged and thanked.

Please join us for a bountiful community supper.
Saturday February 21/15
5:00-7:00p.m.
Featuring homemade potato pancakes
Silent auction + 50/50

Thank you for your assistance with helping to maintain the Stry 75th Anniversary Hall.
