Re; Disposal Bin Request

Sir:

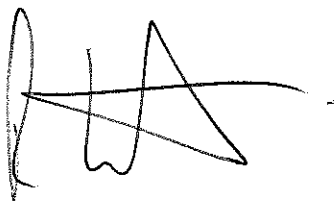

On behalf of the members of the St Paul Legion I would like to respectfully request that the County of St Paul consider placing a garbage collection bin at our community facility in St Paul.

Until recently we had shared the cost of a trash bin with a neighbour business. That arrangement was terminated with the relocation of the neighbour. We have been transporting Legion refuse in private vehicles to the transfer station as a cost saving measure.

If the county would consider locating a bin at our facility, we are confident that a 3 yrd lockable unit with a bi-weekly dump schedule would meet our needs.

Thank You for your interest.
