To Whom It may concern

My name is Carole Andrews and I live in Crest View Beach.

I would like to address the council on their by laws that are made and not enforced.

- (1) M.R. no motor vehicles to be driven on the M.R. (not enforced)
- (2) no defacing the lakefront by cutting down all the trees, the people think that is part of their land (not enforced)
- (3) out-houses that are being built with no cement holding tank (not enforced)
- (4) buildings that are on M.R. and nothing has been done on this for 2 yrs.

These things were all brought to your attention, I have been told and you choose to do nothing.

May 4/15

To Crest View residents that have  
signed this ~~note~~ would like to  
know why you make by laws  
and do not enforce them.
