

Sept 1/15

County of St Paul #19

I feel that the amount charged to me on the roll off dumpster was an error, the tipping charge was extremely high, we only did yard cleanup. branches an old fridge a couch and some misc. When I got the bill I contacted evergreen they said I had to contact the county, I called the county and they said it was evergreen.

We were then told to pay what I felt was fair and that was 600.⁰⁰ and a letter to explain.

Respectfully Yours
