

COUNTY OF ST. PAUL NO. 19

BALANCING RURAL HERITAGE WITH A DIVERSE ECONOMY

POLICY OBJECTIVE:

The County of St. Paul fully supports in principle that employees be treated fairly and in a consistent manner related to lengthy absences from the workplace due to illness or injury. It is also vital that the County places reasonable limits on its requirements to maintain an employment relationship with employees who will be unable to carry out their duties for a substantial period of time.

The County wishes to establish guidelines pertaining to Long-term Disability insurance provided to the County's employees. Long-term Disability benefits are provided and administered by a 3rd party provider. Specific details regarding the benefit can be found in the Benefit Booklet of the benefit provider, which is available from the Administration Office.
