County of St. Paul Strategic Business Plan – 2017

Vision:

The County of St. Paul is a vibrant community which values a high quality of life, balancing rural heritage with a diverse economy

Core Values:

- ☐ Balance
- ☐ Respect
- ☐ Fairness
- ☐ Integrity
- ☐ Accountability
- ☐ Service/Serving

Guiding Principles:

- 1) Balance the rural character of the County with regional vitality, orderly growth and diversified economic opportunities.
- 2) Promote environmental stewardship and conservation of natural resources.
- 3) Foster innovation and research to improve the community.
- 4) Seek collaborative approaches for effective service delivery and quality of life improvement.
- 5) Strive for operations efficiency and stability to provide affordable services to residents.

Sustainable Priorities:

- Preserve the rural character of the County through the conservation of the quantity and quality of the agricultural land, maintaining the beauty and accessibility of the lakes, and good partnerships with urban neighbors.
- Encourage environmentally sound and sensitive development.
- Allow development in such a manner as to limit the removal of higher capability agricultural land, not put undue pressure on the natural environment or the provision of services and not cause unacceptable adverse effects on the agricultural economy and community.
- Utilize natural resources to promote economic diversification which is compatible with the rural environment and environmentally sound so that all residents may enjoy optimum working and living standards.
- Continue to support and promote sustainable and enhanced agricultural research, activities and practices to achieve the rational diversification and intensification of agricultural activities and a profitable and sustainable future for producers.
- Seek inter-municipal plans and cooperative service agreements such that they continue to support better relationships among rural and urban residents, better services and efficiency of services.
- Encourage the development and expansion of institutional facilities to meet the educational, social, religious and cultural needs of residents.
- Ensure the provision essential services such as emergency services, health services, education and gathering places for social and religious activities, to support the renewal and enhancement of vital components of rural lifestyle and quality of life.
- Support the continued, orderly growth of the incorporated urban centers so they can continue to provide a range of commercial, industrial, residential and institutional services to the wider community.
- Minimize the negative impact on the land by encouraging good stewardship of the land.
- Minimize conflicts between agricultural and non-agricultural land users.

Goal 1 – Governance

We have put off implementation of Social Media strategies due to need for policy development and consideration of time required to keep up to date. We are utilizing the Radio Spots and have booked them again for 2016. We have put off having the GIS map public as we are awaiting the installation</p>

<p>Facebook, Twitter – Need to develop policy around this- decide on time requirement – who do we allocate the responsibility to?</p> <ul style="list-style-type: none"> • Monthly/Quarterly newsletter? • Continue with Radio spots • Continue Newspaper County Page 8 	<p>Kyle/Paulette</p> <p>FCSS</p> <p>Phyllis/FCSS</p>	<p>Dec 2017</p> <p>Ongoing</p> <p>Ongoing</p>	<p>and implementation of the Telus Fiber that is required in order for the release to the public to work effectively.</p> <p>Quarter 4, 2015 – have met with Accurate Assessment and Bob Bezpalko of Alberta HUB to work on strategies for the GIS Webmap Investors site that will be a pilot for HUB.</p> <p>2016</p> <p>Quarter 1, 2016 – A newsletter is currently being developed to be distributed with Tax Notices in May 2016. IT conversion took place in March 2016 – the Telus Fiber will be connected soon – following that we will proceed with making the Mapping system public.</p> <p>Quarter 2, 2016 – IT conversion took longer than anticipated. Telus fiber had to be increased in speed – expect that the transition to telus fiber for internet to take place in July.</p> <p>Quarter 3, 2016 – The Telus Fiber was only updated at the end of August. Linda Meger is working with Accurate Assessment to make the eSite (formally known as Webmap) available on our website for the public. We will also set up a subscription site for realtors to access assessment sheets for an annual fee. The Economic Development option for the eSite is ready to implement and will be made available publicly for potential investors.</p> <p>2017</p>
<p>Develop a Digital Records Strategy that would include land files and planning and development files tying records to GIS mapping system</p>	<p>Linda/Admin staff</p>	<p>Estimate 3 year program - complete Dec 2019</p>	
<p>Explore the cost of program and potentially implement the same – for fillable forms. This would enhance our website for forms that residents can download and use for county services. Ie. Development Permit.</p>			

Previously the creation of fillable forms was done by our website contractor. It would be much more efficient if in-house staff could adapt forms as they are changed for municipal purposes.

Continue Regional Emergency Management Training	All required	As required	<p>2015</p> <p>Quarter 1 – work on the Regional Emergency Management plan is continuing. Rob Duffy participated in the Provincial Emergency management exercise. Training courses are being scheduled as required. Mass Notification System has been approved by the municipalities and implementation has commenced – public notification to happen in 2nd quarter. NESS equipment will be removed from the Post Office by the end of April and will be stored at the County Public Works site.</p> <p>Quarter 2 – NESS Equipment has been moved to County Public Works. Mass Notification System setup commenced – rollout to public in early July. Regional plan nearing completion – working on sub-plans. Electrical upgrades for Elk Point EOC have been completed.</p> <p>Quarter 3 – Sub plans are complete and being sent to each Council for approval. Table Top Exercise was completed August 26, 2015. Communities have agreed to apply for a grant to purchase AFFRC’s Radios in 2016.</p> <p>Quarter 4 – County Council has approved the Regional Emergency Management Plan. Training sessions have taken place for ESS portion of the plan. We are waiting for ACP grant announcement to apply for AFFRC’s Radio project. A longer EOC is being contemplated at the Town Office lower level. Administration continues to advertise the Mass Notification System in the County’s Highlights.</p> <p>2016</p> <p>Quarter 1, 2016 – The Region has been successful in obtaining an ACP Grant to update Radio Tower infrastructure and purchase some AFFRCS Radios. Training is ongoing as it is available. Have had ESS training for the Region during the 1st Quarter. People are still registering for the Mass Notification System. REMP and Sub-Plans are now live and have been sent to all stakeholders. ESS exercise has been scheduled and is being prepared for early 2nd quarter. Elk Point Reception Center</p>

Rob has been attending businesses and all senior's facilities to discuss the REMP and supporting them in updating their plans. Admin support prepared all binders for REMP and Sub-Plans. Admin support has been tracking and filing training requirements for all Agency/Committee members. Preparing for Emergency Preparedness Week May 1-7.</p> <p>End of 2nd quarter we did an ESS Mock Exercise as part of the FSEPP Grant. Exercise went well. Had a few learnings to apply to the ESS Plan. A week later we had a real activation to support Ft. McMurray Evacuees. Approx. 750 evacuees came through and some stayed in St. Paul. NESS equipment was used to support the process. 2 other municipalities also used some for the NESS equipment.</p> <p>ESS Plan is being updated with learnings from the exercise and activation.</p> <p>Start of the 3rd quarter we switched providers for the alert system. We are no longer with Everbridge and have switched to CommAlert. There were no interruptions during the change. Cost is the same, but CommAlert has more options. REMP and Sub plans have been placed in all ECC's and sent to all key stakeholders.</p> <p>Work has started on the radio infrastructure. We are pricing out radios that support AFRRCS. We will be purchasing about 7 for now for the key positions.</p> <p>Training for some of the REMA is still ongoing. Course are booked and sent to those who require it.</p> <p>May 1-7 we conducted Emergency Preparedness Week. Lots of material that was placed for the public went. Mostly it was due to the fire in Ft.
