

Regional Strategic Business Plan 2017

Town of St. Paul
County of St. Paul No. 19
Town of Elk Point
Summer Village of Horseshoe Bay

The municipalities above recognize the value of working together to provide appropriate services and share costs for the provision of these services for the betterment of the residents of our collective municipalities. We will collaboratively work together to obtain funding where appropriate to achieve our goals.

Future Direction

VISION

The St. Paul Region will be a united group of energetic and diverse communities recognized for their leadership, community spirit, and extraordinary quality of life.

MISSION

To meet the needs of the St. Paul and Region through leadership, cooperation, collaboration, education, and public service excellence.

VALUES

Accountability

- We respond to the changing needs of residents and other organizations by providing transparent government and the implementation of best practices within a framework of financial prudence

Continuous Learning and Improvement

- We support life-long learning and commitment to innovation, research, knowledge exchange and ongoing program evaluation.

Inclusion

- We provide an accessible, inclusive environment that values the diversity of our staff and community.

Service Excellence

- We encourage professional excellence through collaboration, partnerships, innovation and teamwork in an environment that fosters trust and respect.

Goal 1 – Governance and Administration

Goal 1: The municipalities will seek to build consensus on actions to address specific public policy challenges within the region with the intent of improving the overall practice of public administration enabling a better and shared understanding of complex problems.			
Actions	Lead	Target Date	Quarterly Report
All municipalities will hold joint meetings and initiate negotiations pertaining to Inter-municipal Collaboration Frameworks <ul style="list-style-type: none"> Administration will carry out review of current agreements 			1 st Quarter: Meetings to be scheduled in 2 nd Quarter
All municipalities will seek opportunities for efficiencies or economies of scale in municipal service delivery through collaborations and partnerships. Conduct service reviews to determine where shared services can create efficiencies and lower costs.			

Goal 2 – Regional Emergency Management

Goal 1. The municipalities will work collaboratively to ensure we are prepared for emergencies or disasters that may occur and to take every measure to protect our first responders, residents, property, environment, and to mitigate the economic, social, and environmental impacts of any emergency incident.			
Action	Lead	Target Date	Quarterly Report
