

To Whom it May Concern,

July 12,2017

The Elk Point Agricultural Society is looking for financial support of a addition to our indoor riding arena. We have applied for the Community Facilities Enhancement Program grant to assist us in building this addition. We have had a contractor come in and do an estimate for us. His estimation is that the project will cost \$261,943.50. We are asking you, the County of St. Paul, to support us financially for 25% of the project cost (\$65,485.87). The support would help us to secure this grant. Thank you for your consideration.
