

Swimming Pool Operator Level 1 (Certified)

October 19 - 20 in Edmonton ←

Registration Fee: \$412.00

Description:

This workshop provides a rigorous in-class and hands-on experience for those involved in swimming pool operations. Topics include: water circulation/filtration, basic chlorine and salt water chemistry, water balance, pool diseases and water testing. This course has been updated to meet Alberta Health and Wellness Standards. Participants should also bring a calculator for class and exam. Successful candidates will receive the Swimming Pool Operator Level 1 certificate upon completion of the course.

Location of Course: Clareview Community Recreation Centre

Street Address: 3804 - 139 Avenue NW [Google Map](#)
