Dear Councillors,

On behalf of the President and Directors of Haying in the 30's we would like to thank you for your past and present support.

In the past, you have supplied us with gravel and we are inquiring if you are able to do so again. We are planning to construct a commemorative building to display pictures, thank-yous and other memorabilia of our past events since inception in 1999.

We would require 40 yards of road gravel for the concrete slab and landscaping of this building.

Thank you for your consideration of this request.

Sincerely,

Henri Gratton
