

Letter to County of St. Paul – part 3
Re: Stan and Grace Adamczuk & Caroline Adamczuk-Sech

When the land was surveyed in April it also shows other properties (for example shed #1 which in 2007 was estimated at \$3,500) is located on the Municipal Reserve Land. Even though we were granted a building permit for the structure and its location on May 11, 2007 we are willing to remove this shed and restore the land to its original state.

The image shows two documents related to a development permit application. The left document is a "Development Permit Site Plan" showing a lot with a 10x12 existing deck, a 12x16 shed, and a 12x16 shed. It also shows a lake bed, a bank, and a 300' distance. The right document is a "Development Permit Application Form" with handwritten information. The form includes fields for Owner Name (Stanislaw & Grazyna Adamczuk), Address (7656-158 Ave), Phone (415-769-4060), and Project Location (St. Vincent Lake). The form also includes a section for the Applicant's Signature and Date (May 10, 2007).

The image shows a "Notification Letter" from the County of St. Paul. The letter is dated May 11, 2007, and is addressed to Adamczuk, Stanislaw/Grazyna at 7656 158 Ave, Edmonton, AB T5Z 2V8. The letter informs the recipient that a development permit application 294294-07-D0048 was approved on May 11, 2007. It also states that the decision may be appealed to the Subdivision and Development Appeal Board within 14 days after the date on which a person qualified to appeal is notified of the decision. The letter is signed by Glenn Zayac, Development Officer.

The other structures, such as the outhouse (which was an existing structure when the lots were purchased in 2007), the lumber shed and wood shed, will all be removed. The purpose of the sheds are simply to keep the wood dry, organized and out of the way; however because they

are on the Municipal Reserve Land all of these structures will be removed in accordance with the ruling.

We would like the opportunity to speak with Council Members on Friday September 14th, 2018 and possibly arise at a reasonable solution that will please the County of St. Paul, the honoured Council Members and keep the structures in tact.

Thank you for the opportunity to hear our concerns. If you require any additional information, please contact me at (780) 472-7038 or (780) 966-1730.

Sincerely,

Grace and Stan Adamczuk, & Caroline Adamczuk-Sech
