St. Paul County Council,

I, Orest Boyko, of Division 2 have been asked to attend the August 14 council meeting in regard to longstanding ongoing issues related to SE- 31 – 56 – 7 – W4.

I have been told that Township Road 565 does not exist and has never been registered. I have reason to believe that I'm being given inaccurate information and will reluctantly attend to clarify the issue.

A handwritten signature in black ink, appearing to read 'Orest Boyko', with a large, stylized initial 'O' and a long horizontal stroke extending to the left.
