**Subject:** FW: 606 Sante Hills - Fire Call

Hi Ron, We have reviewed your concerns regarding the invoice for the two fire calls that occurred on May 12<sup>th</sup>, and 18<sup>th</sup>, 2019. The first call on May 12<sup>th</sup>, dispatch was advised by a 911 caller that there was an unattended brush pile burning at your location and therefore the St. Paul fire department responded with 3 units and extinguished the fire with minimal challenge.

The second call on May 18, 2019 an concerned citizen called 911 dispatch and once again St. Paul fire responded to you property. Earlier in the day the fire chief received a call from the RCMP indicating that they received a complaint on someone burning during a fire restriction that was put on due to the dry conditions.

In regards to the invoice we submitted to you for payment the details include fees for no fire permit of 450.00 and charges for two responding fire units in both cases The actual full cost would of been 4,590.00 however we reduce these fees to 2,130.00 as we did not charge the hourly rate for all fire units that did respond. The hourly rate is 615.00 per unit.

I would recommend if you have concerns on paying the amount of 2,130.00 you could submit a letter to County Council or attend the Council meeting scheduled for August 13, 2019. The contact person is Phyllis Corbiere E- mail [pcorbiere@county.stpaul.ab.ca](mailto:pcorbiere@county.stpaul.ab.ca)
