

## Request for Decision

Council Meeting: April 9, 2019

### 8.19 - Request to Name Road – Worobec Road

#### Request

---

We have received a request from Lee Worobec to name TWP Road 590 off Secondary Highway 881 Worobec Road, as four generations of their family have called land in that area home.

Section 1.3 of Policy ADM-99, Named Roads and Landmarks states that All range and Township roads will remain numbered but Council may permit alternate signage to be displayed for symbolic purposes.

Section 1.4 states that roads may be named if the name reflects a historical or geographical connection to the neighborhood.

#### Recommendation

---

Administration is recommending approving the request to name TWP Road 590 off Secondary Highway 881 as Worobec Road, as it conforms to Policy ADM 99.
