

## Request for Decision

Council Meeting: May 14, 2019

### 8.17 - Laurier Lake Residents

#### Request

---

Brian Striethorst and Warren Smith, residents at Laurier Lake, are expressing their concerns about the level of Laurier Lake rising again this year and are requesting that the beaver deceiver be checked to ensure it is working.

Mr. Smith has also outlined concerns in his letter regarding the Elk Point Library.

#### Alternatives

---

#### Recommendation

---

Council to provide direction.

---
