

Mid-Year Report

St. Paul Municipal Library

Check up on 2019 goals

Goal 1:

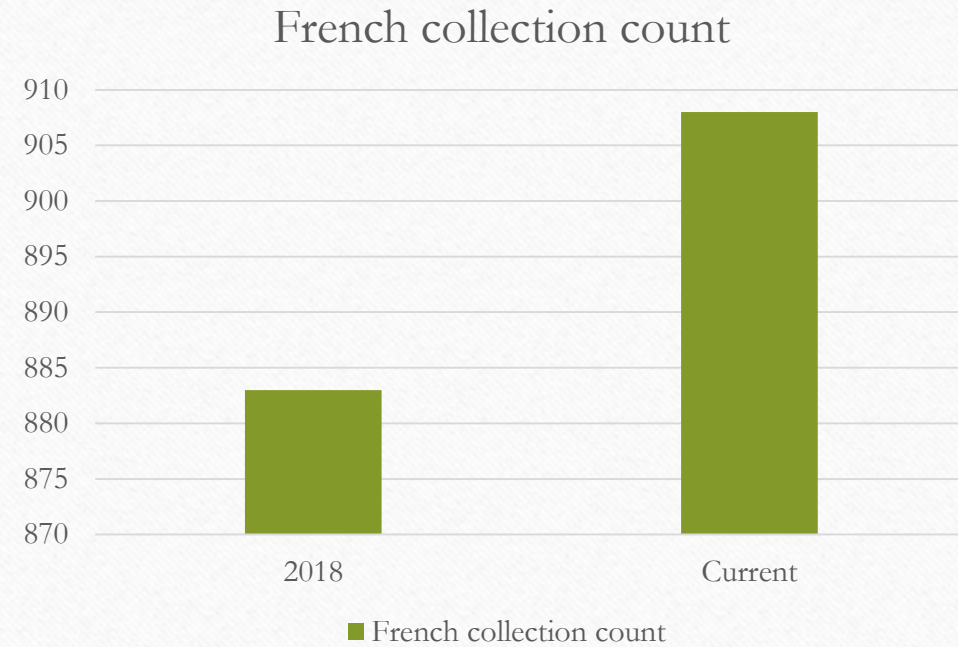

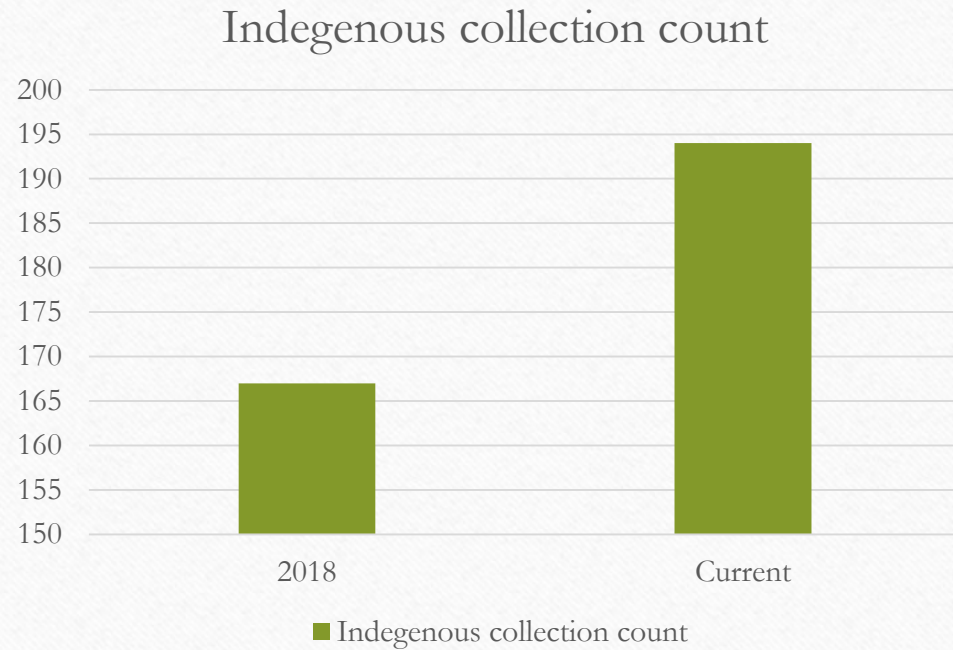

Increase number of active patrons by 50

- Library Card Sign-up month campaign is currently active. We hope to have more people sign up/renew their card this month

Goal 2: Continue to build Indigenous and French collections.

Goal 3. Bring in more diverse technology into our library for patrons to access based on patron surveys.

- Library's 3D printer had mechanical upgrade to allow multi-color print as a response to patrons' inquiry on whether it can print with more than one colors.
- Makerspace sponsored by Telus is almost ready to go. Unplugged version of makerspace is now partially open. Plugged version is available for those who come to series of instructional sessions that feature how to use the items!

New Kits in the library

- Library has put together a take-home programming kit for patrons to check out at the library. There are 5 kits and they come with couple of books and activities that match the book.
- Library have 2 Digital Storytelling kits. Anyone can borrow them to record their stories. Library is willing to help with editing and convert your story into a video.

Chocolate Taste Off

- Chocolate Taste Off fundraiser was a great success. Library sold 106 tickets to the event and was able to raise \$1124 between silent auction and ticket sales to off-set the loss of membership revenue.
- There were 8 vendors who donated their deserts, 5 authors, 10 donated items in the auction, and 10 volunteers from Friends of Library group, and community members who came out that helped us make this event successful.

Community Relations

- Library had a local students come in to host Cree Story time in April and practicum student from Blue Quills did a cultural dance for us at the Parent Link.
- Library is now one of the practicum sites for social work program at Blue Quills.
- We will be having guest readers from our community once a month for the story time.
