Re: Primula Greek Orthodox Cemetery – FCA 0625
NW 36 – 55 – 5 W4 County of St. Paul No. 19
Registration under the *Cemeteries Act*

Our office has received notice that the Primula Greek Orthodox Cemetery is an inactive, abandoned cemetery site near Heinsburg. The owner of this cemetery is the Ukrainian Greek Orthodox Church as indicated on the enclosed land title certificate.

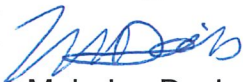

The owner of a cemetery has several obligations under the *Cemeteries Act* and regulations; and continues to be responsible for the care and maintenance of an inactive cemetery, the record keeping, and for providing a current contact person.

A municipality is one of the few acceptable land owners for cemeteries according to the legislation. The municipality may choose to take over ownership of the cemetery land. Please advise our office if the County would be willing to takeover ownership of the cemetery land.

The *Cemeteries Act* and regulations can be viewed, purchased or downloaded from the Queen's Printer website. <http://www.qp.alberta.ca>

If you have any questions or require assistance please contact our office.

Sincerely,

Melodee Davis
Office of the Director of Cemeteries
