36th AWWOA OPERATORS SEMINAR • March 14 – 18, 2011

The Banff Operators Seminar will bring operators up-to-date on a variety of topics in the water and wastewater field. Speakers include operators, supervisors, technical industry representatives, and other experts in their fields. Participants can design their own learning experience from a dynamic array of educational opportunities. Informative topics will give operators the chance to review recent technical & equipment developments as well as learn how other operators are optimizing their operations.

The Operators Seminar is intended for operators, foremen, and superintendents although anyone in the water and wastewater industry is welcome to attend. This event will offer a trade show, excellent topics and speakers, networking opportunities and social interaction. As well, a special program will provide guests with a variety of activities. A preliminary list of presentations and details of the Guest Program will be made available on the AWWOA website at www.awwoa.ab.ca or it can be faxed on request after January 31, 2011.

The 2011 Banff Seminar committee is offering a \$100 honorarium and Alberta Environment will award 1.0 CEUs to operators registered at the Seminar, who have papers accepted for presentation. The deadline for submitting papers is January 9, 2011 – please access our website at www.awwoa.ab.ca for an application to present. Successful applicants will receive the honorarium and CEU credit at the conclusion of the Seminar.
