Ms. Sheila Kitz

Chief Administrative Officer

County of St. Paul

Dear Ms. Kitz:

Re: Request for financial support for the St. Paul Fish and Game Association

Thank you for your letter of June 20<sup>th</sup>, 2011 requesting specific information on how the money will be spent.

It will be used to defray the expense of sending youths to the Narrow Lake Summer Conservation Camp. Please refer to the enclosed brochure for details of activities. We require that each applicant pay \$50.00: the rest we cover ( \$375.00). Last year we spent \$1500.00 on this project. For 2011 we have set aside \$3000.00.

Entry is open to all county and town families with a St. Paul Fish & Game Association family membership which is \$55.00 per year. Membership allows access to all club activities including use of our gun range.

Enclosed also is a copy of a report that was presented at our Zone 5 (North Eastern Alberta) spring meeting . It lists some of our activities last year as well as some added for this year.

Please contact me if you need further information regarding our request for support. Call me at 645 4013, or E-mail [edkubash@telus.net](mailto:edkubash@telus.net)

Sincerely,

Ed Kubash  
President,  
St. Paul Fish & Game Assn.  
Box 1200

Please memorize the following prior to camp. These actions are fundamental to the safe handling of firearms and will be explained in detail during training. If you memorize them prior to camp it will make the learning of the concepts much easier.

Four Vital "ACTS" of Firearm Safety

Assume every firearm is loaded.

Control the muzzle direction at all times.

Trigger finger must be off the trigger and out of the trigger guard.

See the firearm is unloaded and "PROVE" it safe.

Point the firearm in the safest available direction.

Remove all cartridges.

Observe the chamber.

Verify the feeding path.

Examine the bore.

# Narrow Lake Youth Conservation Camp

Dates: July 3-9 AND July 17-23, 2011

Location: Narrow Lake Conservation Centre,  
near Athabasca

# What do we do?

This camp provides a safe environment in which we teach students the fundamentals of ethical hunting and fishing, proper use, storage, and handling of firearms, knowledge of outdoor safety and survival skills on land and as well as on water. Students learn how to be part of a team through classes, leadership and teamwork.

## What am I expected to bring?

This is a recommended list of supplies that the students are to bring:

- A copy of the student's provincial health care card.
- Medication with a copy of prescription and current information on medication for the student. (Must be camper's own meds).
- At least 3 pairs of pants
- 3 pairs of shorts
- a *modest* bathing suit
- two towels
- undergarments
- at least 7 pairs of socks (recommend bringing one pair of warm socks.)
- Good Walking Shoes (Rubber boots\*)
- 7 shirts
- 3 sweaters
- a warm jacket
- raingear
- flashlight
- toiletries (Soap, toothpaste, toothbrush, deodorant, etc.)
- pillow
- camp mat or cot\*\*
- sleeping bag
- small blanket
- utensils and flatware (the more durable the better) in a plastic storage container.

### Things you may bring:

- camp knife
- fishing rod/ tackle
- bow
- your compass
- backpack

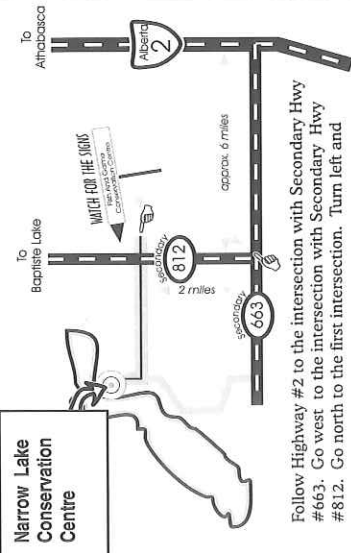

### Things not to bring:

These are things that are not to be brought onto the Conservation Centre property. If these are on site they will be taken away until the end of the week and we are not responsible for lost or stolen items.

**FOOD OF ANY KIND \*bear concerns\***  
**CELLPHONES**  
**MUSIC DEVICES OF ANY SORT**  
**GAMING SYSTEMS OF ANY SORT**  
**CONTRABAND: LIQUOR, CIGARETTES, ILLEGAL DRUGS ETC. \*\*\***

\* Rubber boots are strongly recommended.  
 \*\* A small single camp cot is acceptable  
 \*\*\* If these are found in a camper's possession parents and authorities will be notified and students will be asked to leave.

### GETTING TO NARROW LAKE ...

Follow Highway #2 to the intersection with Secondary Hwy #663. Go west to the intersection with Secondary Hwy #812. Go north to the first intersection. Turn left and
