Subject: Lease Lakefront Land at Kehiwin Lake

I am interested in leasing some lakefront land on Kehiwin Lake, currently owned by the County of St. Paul. I understand a portion of this land is currently leased out, leaving some lakefront land not in use and possibly available.

I intend to build/operate a community campsite at this location, while supporting the County's interest and vision for the land and community. I would appreciate the opportunity to address any questions or concerns regarding this request and am willing to meet in person or by conference call to discuss in further detail.

Please reply or call to confirm your position,
