

Dear County Councillors

On behalf of Mallaig Minor Hockey we have a request for our caretaker. We understand that Richard works for the county during the summer months and as a seasonal worker it would be to his and our benefit to extend his position on your payroll while working at the arena in the winter months. It is very important for us to try and keep him around because it is very hard to find people in seasonal positions especially in this economy. We would pay for the wages that we have agreed upon of \$3750.00, if possible, it would be greatly appreciated if you would consider contributing the employer deductions as part of your continued support to our community. The total of the deductions come out to about \$500.00. Financially are situation is not ideal therefore any financial support would make a great impact to our community. Thank you for your time in considering this request.

Mallaig Minor Hockey
